

Spiritual Life Commission of the Maine Conference, United Church of Christ presents a

Clergy Pre-Lenten Retreat
Tuesday, February 14, 2012
South Parish, Augusta
9:30 a.m. to 3 p.m. *Lunch included*

The Carpenter's Boat Shop in Pemaquid is an apprenticeship school and community for pilgrims in transition. One of the benchmarks of the Boat Shop is finding and leading lives that are balanced. To do this in the midst of their community life, they follow the guidance of the Rule of St. Benedict which suggests that each day should be defined by these 7 items: work, worship, prayer, study, hospitality, service to others and personal re-creation.

Come join us as we focus on how we, as clergy, need to seek balance in our lives - especially in the midst of the busyness we face during special seasons such as Lent.

Leading our time together is the Rev. Kim Hoare, newly called to The Carpenter's Boat Shop. Kim has just finished a year and half as interim pastor at Old South in Farmington, Maine. Prior to that, she served as an Associate Pastor for five years at First Church in Farmington, Connecticut. She will begin as the Co-Director of The Carpenter's Boat Shop on January 15 and will assume the full Director-ship in July upon the retirement of its founding director, Rev. Robert (Bobby) Ives.
