### MAINE CONFERENCE WEBSITE - [www.maineucc.org](http://www.maineucc.org)

The Maine Conference website is maintained for the information, education and communication of the members of Maine Conference churches. On our website you will find the way to locate a church, borrow from the Resource Center, know who is on a particular Conference committee, read your Association meeting minutes, determine when your next committee meeting is, or access the resolutions, reports and registration materials for the Annual Meeting. Please visit the website to see what other useful information it contains.

**The emblem of the United Church of Christ is based on the ancient Christian symbol known as the Cross of Victory or the Cross Triumphant.**

**Traditionally, this symbol - the cross surmounted by the crown and all of it atop the orb - signifies the kingship of the Risen Christ over all the world. The orb, representing the world, is divided into three parts to signify the command of our Lord to his disciples: "You shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth."**

**For the United Church of Christ this emblem, rich in the future traditions of the past and alive with hope for the future, is particularly appropriate. For this reason, there appears on the perimeter of the emblem both the name of the church and the text: "That they may all be one."**

## **What Our Name, United Church of Christ, Signifies**

The United Church of Christ is a united and uniting church. Each of the communions which came together to form the United Church of Christ in 1957 had itself come into being through the union of two denominations. Therefore church union and Christian unity are in the very bloodstream of our people.

The United Church is a church of Christ. We believe that we are called to carry out his mission in the world today. Wherever there are people without the gospel, wherever there are people in need, wherever there is injustice, strife, hatred, and greed - there the United Church of Christ is bound by its Lord to bear witness, to serve, to help, to reconcile, to rebuild. We belong to Christ and we must follow where he leads.

The United Church of Christ is a free church and a responsible church. No one dictates to a local church concerning the decisions it makes. Freedom is guaranteed. But it is "freedom in the gospel" and assumes that every corporate body within the church, whether a local church or a conference or the General Synod, will make its decisions in the light of the gospel and out of a sense of responsibility to the whole fellowship.

The United Church of Christ is a church of the people. The church is not clergy, nor is it the organization at the regional or national levels; nor is it the officers or boards, commissions or councils, though all play their important and indispensable parts. The church is people gathered for worship, work, and witness. The local and regional mission and the wider mission to the nation and the world through the instrumentalities of the denomination are made possible by the response of persons to the task and witness entrusted to us together as people of God.

We aim here to set forth in brief compass the varied religious traditions represented in the United Church. We also present our Statement of Faith and describe the instrumentalities through which our local churches and their members lengthen their outreach and express their love toward other human beings and their service in Christ's name.

"For all the saints" whose Christian labor and loyalty in times past have made possible our work and witness now, we give thanks to God. God's love in Christ as we experience it in this fellowship calls us also to the full commitment of our lives in redemptive and reconciling service.

Robert V. Moss, President,  
United Church of Christ  
1969-1976
