You could call one of your own dedicated leaders to become your pastor.

It is possible and it is happening. Think about it.

If there is one of your congregation in whom you believe and who could do this and could accept this call, the Maine School of Ministry is here to equip your choice with the knowledge, skills, and tools needed.

Find out more about this possibility by contacting the Maine Conference UCC.

Call 207-622-3100.

Ask to speak to the Associate Conference Minister.

Thank you
