Sunday February 23 has been designated **MESOM Sunday** by the Maine Conference UCC with the hope of spreading the good news about Maine School of Ministry and its educational offerings, as well as growing and sustaining financial support for the School.

We hope you will join us in this special event!

The Maine School of Ministry currently offers learning and formation for adult students and leaders of all backgrounds and callings, and in many cases empowers Members in Discernment and Committees on Ministry to find meaningful and accessible training for leadership in congregations.

Through affordable fall and spring classes and a June Intensive class the School is able to:

- Support spiritual formation
- Nurture calls to all forms of ministry
- Equip authorized ministers with quality continuing education
- Enrich the spiritual and educational lives of seekers
