

Disaster Ministries Response Team Report

The disaster ministries response team is in the process of reforming. We have met via zoom a couple of times. We are in need of more folks to volunteer to serve. All meetings will be held on zoom and are scheduled for one hour. Given the impact of climate change and the current societal chaos the number and type of challenges that may arise are impossible to predict. Please prayerfully consider the opportunities to serve our neighbors and communities that are present during times of crisis. The national setting of the UCC is in the process of reorganizing and they are anxious to be able to be supportive of local and region wide efforts. Those who may have an interest in this ministry please contact me at jalcey7@aol.com or at 207-745-1348.

Peace
